Re: Dismissing Application

Dear Harmony Trucking LLC:

On December 17, 2021, Harmony Trucking LLC filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Motor Freight Carrier carrier in the state of Washington.

On December 17, 2021, and January 19, 2022, the Commission sent Harmony Trucking LLC notices describing the application requirements the company had not satisfied. Despite this notice, Harmony Trucking LLC has not met the following requirements as of the date of this letter: Harmony Trucking LLC has not provided a Uniform Motor Carrier Certificate of Insurance (Form E) from the insurance company.

Accordingly, the application filed by Harmony Trucking LLC for Motor Freight Carrier authority is dismissed for failure to meet the application requirements.
